DAN MORALES
ATTORNEY GENERAL

September 10, 1991

Mr. Kevin B. Laughlin
Assistant City Attorney
300 N. Loraine, Room 320

OR91-408

Dear Mr. Laughlin:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, article 6252-17a, V.T.C.S. Your request was assigned ID# 12539.

You have received two requests for the name of a witness listed on a police department accident report. You claim that criminal charges related to the accident for which this report was made are still pending and that the name of the witness may be withheld from mandatory public disclosure under section 3(a)(8) of the Open Records Act.

We have considered the exception you claim and have reviewed the documents submitted to us. Previous open records decisions issued by this office resolve your request. Open Records Decision No. 251 (1980) held that accident reports prepared by peace officers after January 1, 1970, are public under section 47 of article 6701d, V.T.C.S. Section 47 expressly provides for the release of accident reports and states, in pertinent part:

After January 1, 1970, the Department [of Public Safety]
shall provide a copy or copies of any peace officer's
report submitted after that date to any person upon
written request

The Open Records Act's exceptions do not, as a general rule, apply to information expressly made public by other statutes. Open Records Decision No. 525 (1989). Accordingly, you may not properly invoke a section 3(a)(8) exception and must release the requested information immediately.

Because published open records decisions resolve your request, we are

resolving this matter with this informal letter ruling rather than with a published open records decision. If you have questions about this ruling, please refer to OR91-408.

Very truly yours,

Rick Gilpin
Assistant Attorney General
